President's Corner

It's that time again, time to head back to the track for Event #3 of 10. Last month we had an INCREDIBLE turnout on both Saturday and Sunday. We had a very large influx of new drivers on Saturday, who also made the event on Sunday. We could have never predicted such a novice turnout.

For all of you new drivers that attended, I will apologize for such a difficult course. For the National Tour caliber driver, the course was fantastic. For a novice, it was a nightmare. We had nearly 25% off course runs on Sunday, which is indicative of a poorly designed course, or an intentionally challenging course. The course most certainly favored smaller, more nimble cars.

This month's course will be the opposite. It will flow very nicely, and will be on the slightly faster side of things as far as GCAC courses go. I hope you all return again to try out a different course flavor.

Once again, the weather should be pristine. We are in the best weather months of the year and I have high expectations for Mother Nature for our third event of the 2013 season. Remember to bring a friend.

Craig

Numbers must be readable and correct. We follow SCCA standards when it comes to numbering standards. Your numbers should be a minimum of 8" tall, with a bold stroke, no less than 1.25" thick. Class letters must be a minimum of 4" tall with a 0.75" stroke. Additionally, the colors selected should be of high-contrast as compared to your car color. Mufflers Required

Mufflers with baffles are required to keep your car at a reasonable sound level. The people who live around the site have to listen to us for 2 days. If our neighbors start complaining we could lose the site. Do you want to be the person responsible for this??

Remember, if you think it might be too loud, it probably is. Please keep it as quiet as possible.
