Please Remember

The advertisers you see in our program help support our sport. If you need something, please try to patronize the businesses that care about autocrossers.

President's Corner

I hope you are ready for our February event, as it is this coming weekend. I will be missing my first ever day at GCAC since I attended the Dixie National Tour back in 2009. Having said that, you are in capable hands and Saturday should go off without a hitch. Assuming my flight home on Saturday is uneventful, I will be at the Sunday event as usual.

My absence dictated that we recycle an existing course, so we will be using the one from October '15 if you want to get an advanced look.

As I'm in Las Vegas (currently with snow flurries) on business, I will keep this month's message brief so that we can get this published. As always, sound is our biggest concern. If you think it is too loud, it probably is.

Craig

2016 Trophy Rules

Gulfcoast Autocrossers, LTD

1. The 2016 season will consist of ten events held at Buckingham Airfield.
2. To qualify for year-end class champion, the following requirements must be met:
 - a. Must compete in at least eight events in the 2016 series.
 - b. Must compete in at least eight events in the same car class.
3. At the end of the series, a class champion award will be given to the person with the most points in the class, based on the following:
 - a. Points from the best eight of ten events will be counted
 - b. In the event of a tie, the ninth event will determine the tie breaker.
4. All results and class designations will be final at the end of each event.
5. Points cannot be transferred from one class to another class.
(Note: It is the driver's responsibility to know what class they belong in)

Mufflers Required

Mufflers with baffles are required to keep your car at a reasonable sound level. The people who live around the site have to listen to us for 2 days. If our neighbors start complaining we could lose the site. Do you want to be the person responsible for this??

Remember, if you think it might be too loud, it probably is. Please keep it as quiet as possible.

Number Warning

586

SSP

Numbers must be readable and correct. We follow SCCA standards when it comes to numbering standards. Your numbers should be a minimum of 8" tall, with a bold stroke, no less than 1.25" thick. Class letters must be a minimum of 4" tall with a 0.75" stroke. Additionally, the colors selected should be of high-contrast as compared to your car color. They should be easily readable from the timing and scoring RV.

Shoe polish and tape numbers ARE NOT PERMITTED. You must have your car number, and class letters installed, before tech inspection. Paper numbers and class letters are available for sale in the tech area.
