Please Remember

The advertisers you see in our program help support our sport. If you need something, please try to patronize the businesses that care about autocrossers.

President's Corner

It's with great sadness that I must inform you that we lost one of our own. Most of you will remember Karen Ivy, the lady who checked you in at the gate during event weekends. Unfortunately, we lost her on May 9th. Our thoughts and prayers go out to her and her family.

Remember, June is our last event before the summer break. We'll be off until September, so be sure to mark off your calendar to attend next weekend.

Our lunch menu continues to expand, and we're pleased to announce that we will be adding chili and shredded cheese as new toppings available for hotdogs, sausages and brats on Saturdays. :)

Last but not least, my Z06 will be back at our next event. I'm still racing Joe's Miata, but it'll be fun to see how fast my beast has become. It's been on a diet, got a new differential, changed gear ratios, and got race seats and harnesses. I'm thinking it's good for at least 1-1.5 seconds over Joe's car. Over the summer it should be getting another 175 hp, to go along with more dieting techniques. September's event should be fun. My new GCAC cell # is (239) 565-5203.

Lastly, we are close to having Junior Karts.

2015 Trophy Rules

Gulfcoast Autocrossers, LTD

1. The 2015 season will consist of ten events held at Buckingham Airfield.
2. To qualify for year-end class champion, the following requirements must be met:
 - a. Must compete in at least eight events in the 2015 series.
 - b. Must compete in at least eight events in the same car class.
3. At the end of the series, a class champion award will be given to the person with the most points in the class, based on the following:
 - a. Points from the best eight of ten events will be counted
 - b. In the event of a tie, the ninth event will determine the tie breaker.
4. All results and class designations will be final at the end of each event.
5. Points cannot be transferred from one class to another class.
(Note: It is the driver's responsibility to know what class they belong in)

Mufflers Required

Mufflers with baffles are required to keep your car at a reasonable sound level. The people who live around the site have to listen to us for 2 days. If our neighbors start complaining we could lose the site. Do you want to be the person responsible for this??

Remember, if you think it might be too loud, it probably is. Please keep it as quiet as possible.
