President's Corner

Well, as promised, last month's track was fast and fun. That being said, I guess the fun part was nearly universal. Even some of the National Tour drivers commented on how much fun the course was.

Bigger news, however, we are now going to expand our novice school and start utilizing the full airstrip all day on Saturdays. Effective this coming weekend, novices will be invited back down to the far end of the airstrip after lunch to continue running laps. A couple of the instructors, currently Mike Lawson and Paul Wright will be maintaining this event. Laps down there after lunch will be timed by hand.

Depending on the novice take rate of this opportunity, we may also explore offering the track, along side the novices, to other drivers as well. We suspect there may be a fee associated with this, but it will be nominal. What makes the use of the 2nd track so attractive is that those drivers get much more seat time, AND, it distributes the load between both tracks. Everyone wins in this scenario.

Our attendance numbers are finally picking up and we feel that this will be a great addition to our Saturday offering.

🗥 Mufflers Required 🗘

Mufflers with baffles are required to keep your car at a reasonable sound level. The people who live around the site have to listen to us for 2 days. If our neighbors start complaining we could lose the site. Do you want to be the person responsible for this??

Remember, if you think it might be too loud, it probably is. Please keep it as guiet as possible.
