President's Corner

We held a very successful Solo Pro Extreme Driving School last weekend and the weather was phenomenal!. Let's hope that weather continues into this coming weekend.

You will notice some changes when you arrive at the track this weekend. Most notably is the extended fence at the far end of the air strip. We will be required, from here on out to run altered courses. We lost a small portion of our turn-around area, thus any existing courses will need to be modified. This includes the novice school.

While I was taking the Solo Pro school with seven other students, Dave and the rest of the members made some changes to the test-n-tune course. I have not driven it yet, but from what I hear, it's a lot of fun. You now have some more optional elements.

For those of you who borrow helmets, you will notice the selection has been greatly modernized. Remember, if you need to borrow a helmet, you will be required to leave your license with the registration staff.

See you out there this weekend. Bring a friend!

Craig

🔼 Mufflers Required 🗘

Mufflers with baffles are required to keep your car at a reasonable sound level. The people who live around the site have to listen to us for 2 days. If our neighbors start complaining we could lose the site. Do you want to be the person responsible for this??

Remember, if you think it might be too loud, it probably is. Please keep it as quiet as possible.
