#### President's Corner

Guess what October means? October is Bay Bottom Crawl month, and as such, we will run the traditional Bay Bottom Crawl warmup course on Sunday.

If you don't know what the Crawl is, I suggest you look into it, but only if you are an experienced autocrosser. The track is unlike any other venue in the country, and it is quite likely the fastest autocross as well. My Corvette is doing between 125-130 across the finish line.

While it is fast, it can also be dangerous if you don't use your head. This event is not for beginners, but if you have been autocrossing for at least a year, I highly recommend you look into it. The weather in the Keys in October is beautiful and the event is a blast. It is bar-none my favorite event of the year.

For more information, please follow this link:

http://www.ericudell.com/evscc/2013-bay-bottom-crawl/53rd-bbc-info/

Here's hoping for beautiful weather of our own next weekend. See you out there.

P.S. I will have the Z06 there this weekend:) Craig

# 🔼 Mufflers Required 🗘

Mufflers with baffles are required to keep your car at a reasonable sound level. The people who live around the site have to listen to us for 2 days. If our neighbors start complaining we could lose the site. Do you want to be the person responsible for this??

Remember, if you think it might be too loud, it probably is. Please keep it as quiet as possible.
